The meeting was presided over by the Chancellor of Vel Tech Dr.RR & Dr.SR Technical University Dr.R.Rangarajan. Dr.M.Koteeswaran, Vice-Chancellor, VTU welcomed the gathering and traced the origin & growth of Vel Tech Institutions & outlined the various MoUs signed by VTU with various Industries. He said that the Chancellor had introduced Vel Tech Mahatma Gandhi Merit Scholarships Scheme worth of Rs 7 Crores for 200 Engineering Students and formulated the In plant Training for 1600 Students in 95 industries for industrial exposure.

Dr.Mahalakshmi Rangarajan, the Chairperson & Managing Trustee, Vel Tech in her special address urged the students to utilize the opportunity provided by the In plant Training. This was a special programme which would equip the students to make them employable.

The Chief Guest, Dr.T.Ramasami, Secretary to Govt. Of India, Dept of Science and Technology, shared his personal experience and highlighted that “expertise could be better than experience”. He also spoke about the distinct qualities of Education, Training & Research. Industries prefer trained people. He touched upon the symbiosis between Analytical Engg. and Application Engg. He explained the product development process of know-how, show-how, do-how and use-how. Inplant Training gives an opportunity to the students to gain hands-on training experience in actual work places. He then distributed mementos to all the participating industries, kits and certificates to students.

Dr.E.Kannan, Registrar, Vel Tech Technical University felicitated the participants and thanked the industries for their cooperation.
